RECOGNITION

Southwood's First Who's Who Selected

A new feature was added to the 1973 ROUNDUP, the first "Who's Who at Southwood High School." All teachers submitted forms with names of students that they felt deserved this recognition. The teachers considered each student's leadership ability, character, courage, and scholarship. Only seniors were eligible for this honor.

The purpose of including this section in the ROUNDUP was to recognize those students who, according to the faculty, typified the most outstanding seniors at Southwood High School.

Kim Krause: 1972 Homecoming Queen

Eleven girls will long remember the night of October 6, 1972. It was on that night that they were presented by their fathers as Southwood High School's 1972 Homecoming Court.

Each girl waited anxiously, and as her name was called, she walked gracefully across the field to take her place with the others while the Southwood Band played "Up, Up, and Away." Adding to the beauty of the scene were performances on the football field by Southwood's pep squad, band, and ROTC units.

The climax of the evening was the crowning of Kim Krause, 1972 Homecoming Queen, by Dr. J. E. Turner, principal of Southwood.

Council Worked To Keep Southwood on Top

The purposes of the Southwood High School Student Council were to participate in the management and activities of the school in a democratic manner, to improve relations between the faculty and the student body, and to promote school spirit. These goals were accomplished through various projects and services that the Student Council performed. Homecoming and the beauty pageant were presented by the council, along with such projects as the school store, parking stickers, holding school elections, and chapel. Mr. Tommy Larance and Mrs. Margaret Scott were the sponsors of the 1972-1973 Student Council which helped develop a feeling of unity throughout the Student body.

New Features Dominated '73 Edition

The Roundup Editorial Staff, sponsored by Mrs. Morrison and Mr. Wilson, began the year with numerous changes in hopes of making the 1973 Roundup the best yearbook Southwood ever had. More color, new section names, and a Who's Who section were added. Patience, pride, imagination, and the combined efforts of many were vital in creating the yearbook. The members of the staff not only shared a heavy responsibility, but also many secrets of the school year. The Roundup Staff tried to create a yearbook focused on capturing this year's memories and the Spirit of Southwood.

Z Club Won Second Place in International Competition

The Southwood Z-Club of 1971-1972 placed second internationally for their outstanding service. This award was granted on the basis of total hours earned by the club, type of school and community service performed, and international service projects. This year's club worked just as hard to keep the club on top. Its members helped serve the school by promoting spirit and assisting in the library, office, and cafeteria.

The girls, also, visited and presented programs at local nursing homes, entertained and worked with exceptional and handicapped children, helped with various fund drives, and collected articles for missionaries. The Z-Club, sponsored by Miss Nancy Gephardt, offered many rewarding and pleasant experiences for its members through its activities of helping and serving others.

French Club Stimulated International Interests

The philosophy of "Les Jeunes Vacheros," the French Club was to provide its members with a better understanding of the language, people, and customs of France. Some of the projects of the club were cake sales, a car wash, a Christmas party, and a spring picnic. This year a French Honor Society was organized. It was composed of students who had maintained an "A" average in French I. or French II. The French Club and French Honor Society were under the direction of Mrs. Herring.

Forensics Board Sponsored Talent Show

The Forensics Board, formerly the Speech Club, was composed of students interested in debate and drama. The Board's objective was to instill in each member principles of good reasoning and logical thinking. Under the direction of Mr. W. B. Rutherford, the Forensic Board's activities of this year included sponsoring the Southwood Talent Show and presenting the play, "You can't take it with you." The money raised at these events was used for entry fees in debate tournaments at Southern Methodist University, Northwestern, Tech, Northeast, Captain Shreve, and the tournament of Champions in New Orleans. The students of the Board won many awards and trophies at these tournaments.

FFA — One of Louisiana's Best Chapters

The Future Farmers of America, Southwood's fastest growing organization, received the Bronze emblem in national competition last year as the result of being one of Louisiana's winners in the Best Chapter contest. Several of its members placed highly in statewide competition, while four boys received their State Farmer degree.

This organization, under the direction of Mr. Bruce McKinnon and Mr. Tom Cathey, provided leadership opportunities for boys interested in agricultural pursuits. These boys received first-hand experience by operating a farm behind Southwood, which consisted of beef cattle, poultry, swine, truck farming, and forestry. The FFA, also, operated the feed store at the Louisiana State Fair.

Cowboys Finished With a 4-6 Record

The Southwood Cowboys came out in 1972 and turned things around for themselves. They proved to their fans and everybody else in town that Southwood wasn't destined just to give it a good fight and fail; they found out what victory was all about.

The season began with the Pokes facing the powerhouse Chiefs of Natchitoches. The entire first half was a defensive struggle in which an offensive mistake allowed the Chiefs to score an easy six and boost its lead to 14-0. Southwood came back with a touchdown scored by Ken Serpas on a beautiful second effort plunge for the goal line, but the clock ran out with Natchitoches winning 14-6.

Next week, the Pokes lost to district champions Airline 28-7. It was clear that Southwood was outplayed by the Vikings, the only team able to accomplish that all year. The offense looked sharp, but the pass defense was picked apart all evening.

A frustrating loss was handed the Cowboys on September 23 by the Byrd Yellow Jackets. Southwood had the pigskin inside the Jacket ten yard line on three different occasions, but couldn't cross the yellow line and were whitewashed 14-0. The men in Orange actually edged Byrd in first downs and total yardage.

Against the Lions of BTW, Southwood put it all together en route to a 40-8 drubbing that was, as Coach Jerry Adams said, "a long time coming." Everybody had a share in the action, especially Ray Suell, Curtis Talley, Ricky Kile, and Leon Jernigan.

Then came the big one against archrival Woodlawn. The Pokes struck first when Ricky Herren romped in from fifteen yards out. Minutes later, Southwood scored again when Herren broke several tackles and sprinted the rest of the way for an eighty yard score. The Knights took over and tallied twice. The Cowboys then took the lead, and it looked like a second straight Cowboy victory. However, a fumble with under two minutes remaining spelled the end, with Woodlawn victorious 19-18.

Anxious to avenge the shutout handed to them last year, Southwood journeyed to Lafayette on October 13 and took on the undefeated Lions. For three quarters it seemed as if the Cowboys would accomplish their goal, but the Lafayette club put together two fourth-quarter drives to win 21-8.

A fourth-quarter flurry by the opposition buried the Cowboys for the third consecutive week, as they were edged by Captain Shreve 14-7 on a miraculous catch by a Gator, with only two minutes to go. The defensive line looked strong, as they had all year; however, it was once again the defensive secondary that fell apart.

On October 27 the Cowboys faced the Bishop Dunne Falcons from Big "D" and almost blew the Falcons off the field, soundly defeating them 28-12. Ricky Herren, who had been the Pokes' workhorse all year, scored four times and led all ground gainers with ninety-eight yards rushing.

Fair Park's Indians were the Cowboys' next victims, by a 13-7 score. The two adversaries struggled through more than three periods before either team put points on the scoreboard. The Indians struck first and led 7-0. On the ensuing kickoff, Charles Camp unselfishly lateralled to Ricky Herren. Herren streaked up the middle and scored, but the PAT failed. A fumble gave Southwood the ball in Indian territory; and Herren ran the pigskin forward seven straight plays, scoring the winning tally.

The final night of the season ended with a 6-0 shutout of the Redemptorist Wolves. The Cowboys scored the first time they gained possession; and then the defense took over, turning out its strongest performance of the season.

It should be noted that the 1972 Southwood gridiron season was the most respectable one of its short history. It was a season of losing and winning, of failing and succeeding, of frustration and jubilation; but, most of all, it was a season which saw the men in Orange mature from a group of losers to a team that won forty per cent of its games and that was outplayed only once.

The 1972 freshman football team became the most successful Cowboy squad of any sport in Southwood's history by capturing undisputed possession of the Bossier League championship.

Several factors, which the varsity has been attempting to develop for years, combined to make the youngest Pokes winners. They possessed a potent offense; a bruising, unrelenting defense; and, most significant of all, the ability of staging a comeback. The freshmen were coached by James Cummings, Jim Davis, and Jimmy Ware, who spent many hours on the practice field in a most successful attempt to develop these underclassmen for future service on the varsity.

Poke Nine Tied for Runner-Up Spot

For the second time in its two-year history, Southwood's baseball squad was the school's most successful team. The Cowboys earned a 10-9 mark enroute to tying Fair Park's Indians for the runner-up spot in district 1-AAAA. Coach Robert Rhodes' Cowpokes were sparked by junior pitcher Jimmy Gordon with a 5-1 record, senior hurler Butch Cole with an ERA of 0.48, junior Kevin Rowell with a .308 batting average, and senior Robert Davidson who batted .319.

Southwood began the season in excellent fashion with a 2-hit shutout of Marshall thrown by Butch Cole. Jimmy Gordon posted wins in Southwood's next three outings with strong pitching performances. The Pokes defeated Airline at Walbrook Park to move into first place. Even though they had the top pitching staff in the district, the Cowboy's hitting attack was too inconsistent for Southwood to take the district title.

Cindermen Gave It Their All

Track is a sport in which a man must not only compete against other men, but also himself as well. The body says stop; the mind says go on. One must spend countless hours of time practicing for that one short attempt in which he does his thing.

The Cowboys, who never won a meet, did have some outstanding performers. In the district meet, Ric Wails and Vic Bruce tied for second in the pole vault, while Jamie Longino finished fourth in the high jump. The Pokes didn't outpoint many of their opponents, but they gave it their all, and that's what really counted.

Golf and Tennis Teams Made Their Marks

Once again, golf proved to be a successful part of Southwood's athletic program. Perhaps it is significant that golf requires the fewest number of participants of any of the competition in which the Cowboys take part.

Finishing in fourth place in the regional tournament, the team had three boys who qualified to compete in the state tournament. They were Jimmy Huddleston, Tim Cain, and Joey Haws, with the scores of 75, 76, and 77, respectively. Unfortunately, because of technical errors, the three missed the state match.

Southwood's tennis team again faced stiff competition from older established schools, but the Cowboys were not to be denied their share of victories. The young group emerged with four wins and eight losses in a district that had at least two of the top teams in Louisiana. The Poke netters defeated Northwood by substantial margins both times the teams met.

Tennis is a unique sport because both sexes participate and the collective efforts of individual struggles determine the victor. Still, as in any other sport, there are team leaders. Southwood's leaders were Dan Scurlock, Steve Rachal, Robbie Jones, Margaret McNutt, and Cindy Custer. One may safely wager that tennis will always be an important phase of competition at Southwood.

Silver Spurs

An added attraction for '72,
Girls who danced in silver and
blue.
With cowboy hats and boots of
white,
Added sparkle to autumn nights.
Silver Spurs of Southwood High
caused each heart to swell with
pride,
When the spur on the boot began
to twirl,
Each spectator knew that was
some cowboy's girl.

ROUNDUP

MUSICIAN

The Southwood High Band, led by Mr. Leon Anderson, has always proved a credit to the school, and this year was no exception. Besides providing exciting half-time shows at football games, the Marching Band represented Southwood at the Natchitoches Christmas Parade.

Concert Band competed in the annual Solo-Ensemble and District Festivals in the spring. However, their big event was attending the Tri-State Music Festival in Oklahoma this May, where the students participated in competitions, attended instrumental clinics, and were entertained by professional bands.

ADMINISTRATION

Dr. Turner Co-Ordinated School Functions

Dr. J. E. Turner accomplished the complex task of coordinating the diversified units which make up a modern high school. Attending PTSA meetings and school activities, supervising the academic program to maintain high standards, and taking time out to listen to students were some of his duties. Through his personal interest in students and his friendly manner, Dr. Turner measured up to the demands of a #1 Cowboy.

Concepts Fostered Reasoning Power

Students in math classes combined ideas in truth and space concepts as they entered into the world of numbers. Algebra students dealt with unknowns as they tried to solve equations and draw graphs. Geometry students learned the basis for logical reasoning through formal proofs. Those students interested in a math career found advanced math challenging and intriguing. Students wishing a background in math for personal or business purposes found general math and business math more practical.

Science Inspired Students to Reason

Science courses maintained to inspire students to reason out their problems, included physics, chemistry, biology, and general science. Physics students studied matter and energy and their relationship to work. Some of the topics covered were optics, electricity, and atomic structure. Chemistry students studied the composition of substances and the changes which take place in them. Biology I provided the student with a broad background in all phases of biology, and Biology II students spent much time delving into specifics such as hormones and genetics. General Science contributed much to the students knowledge of classifications and structural matters.

Business Education Provided Essential Skills

Competence in office skills of all types was gained through the business courses at Southwood. Students enrolled in these courses worked to attain mastery of business machines as well as the ways and means necessary for success in business life.

Typing I and II, Shorthand I and II, and clerical office practice gave students an opportunity to develop office skills. Business math students and bookkeeping students were taught the skills of balancing books and figures. C.O.E. and D.E. allowed students to hold jobs outside of school and practice their skills in a business environment.

Agriculture Developed Interest in Farming

In the four courses of agriculture, technical aspects of raising crops, breeding cattle, operating farm machinery and raising farm animals were held in complex studies. Boys learned the fundamentals of a career in agriculture by actually working outdoors, viewing films, learning lectures, and raising livestock. Agriculture students labored this year at constructing a show barn for prize cattle. *Upon its completion it housed 18 show cattle.*

In presenting the *Roundup 1973* it is our hope that we have accomplished the dual purpose of accurately portraying in script and pictures the events and personalities that fused to make 1973 memorable.

The finished product is the result of many long hours of hard work put in by the editorial staff and its two advisors. Our special appreciation is extended to the several photographers at Drummond's House of Photography for their fine work. Miss Jane Jordan and the *Roundup* Ad Staff are commended for the superior selling job which they have done. We are grateful for the cooperation of the student body, faculty and administration without which the book could not have been possible.

It is our sincerest wish that in future years, this edition of the *Roundup* will reflect the hope and courage that was Southwood 1973.
